General:

Plan Holder Question

I see on Page 8, Item 9. Preparation and Submission of RFP's, Item 5 that it requires "One (1) complete RFP Package". However, I saw on Page 12, Item 21. Manufacturer's Descriptive Literature that "two copies of all manufacturer's descriptive literature demonstrating the equipment meets the requirements of the specifications or approved alternate shall be provided with the RFP".

"Can you please clarify if one (1) copy or two (2) copies will be needed for submittal?"

Response: Please provide One (1) copy of the RFP package and manufacturer's literature.
